**Issues :**

- ❖ Preparation of Annual Examination.
- ❖ Special coaching camp for lagging behind girls.

Leadership training classes were organized during this period for core team.

**ISSUE**

- ❖ Reproductive health.
- ❖ Nutrition

3 school visits have been conducted.

Regular home visits have been conducted.

250 students were supplied with ordinary and bound exercise books.

100 students were present school bags.

**SPECIAL COACHING CAMP**

Special coaching camps were organized in February 2004 before the Annual Examination. These special coaching camps were meant for 185 very backward students. The teachers of govt. primary schools were requested to take special coaching for the very backward students after the school hours.

Most of the students could not understand exact meaning of the questions during the examination. The teachers were requested to look into this problem of the students.

## **PARENTS MEET**

Three parents meetings were organized where 273 parents attended. The issue on which discussion was made, was that the students should sit for each and every examination.

In these meetings one important point was discussed. This point was not to disturb the students with household and other works and also not to make any quarrel or conflict during their examination.

The parents were also requested in these meetings to see that the students should regularly attend the classes by the tutors.
